

Mission Statement:

To create awareness for Obsessive Compulsive Disorder and other mental health issues while providing essential funding for youth athletic programs and otherwise inaccessible individual mental health screening and treatment.

Vision Statement:

Through youth athletics, public awareness and financial assistance, we can promote positive mental health for students in our area, and annually benefit 1,000 or more students.

Goal Statements:

On an annual basis, provide scholarship awards to deserving students in Carbon, Lehigh, and Northampton Counties.

Provide significant funding for many youth athletic programs specifically in the Palmerton, Lehigh and Northern Lehigh School Districts plus surrounding areas.

Provide financial assistance to students who would not otherwise have access to mental health screening and treatment.

Support mental health awareness and educate parents to recognize the potential warning signs and symptoms.
