

## 2020 Bo Tkach Golf Tournament:

The tournament committee has made the decision to reschedule the golf tournament to September 2<sup>nd</sup>, 2020 because of these trying times in dealing with the Coronavirus. If you have already registered and sent payment, there's no need to re-register.

There have been some opportunities for the foundation to assist people in our local communities. Recently we have donated \$8,000 to the local food banks. Research indicates that if people can't eat or have a place to live, they may experience mental health issues. We hope this donation can help to prevent hunger and promote mental health wellness. We anticipate our referrals for counseling to increase rapidly as the stress of social distancing increases. If this virus continues, we will donate again to food banks and ensure the continuation of counseling.

The foundation will continue to run our scholarship program for our most giving seniors in our high schools.

Thank you for the continued support and be safe!

Sincerely,

Jim and Sandi Tkach
